

As Co-chairs of this year's United Way of South Central Nebraska campaign, we are the latest in a long line of community partners who are asking everyone to be a **HERO**, for you, your neighbors and your community. Together, we will be able to provide funds through a network of more than 40 programs within 19 agencies. The United Way has provided funds to local agencies for 77 years, services that include providing quality and critical services to those in need of guidance, crisis assistance or family support.

To be a **HERO** and change a life, it doesn't take a super hero. It takes normal people doing things they know how to do. Even if you have never needed to call on a United Way agency, you may someday have that need through the blessing of a baby being born, somewhere for your kids to eat lunch in the summer or just one of those times when life gets in the way! It's during those times that the 19 agencies listed in this brochure would be there for you!

The United Way and the agencies that it supports are **HEROES** everyday as they put their best selves, their time and their resources forward in service to those in need. On behalf of our community and the United Way agencies...THANK YOU for your past and continuing support.

Thank you for being someone's **HERO!**

Travis & Kelly Augustin and Ryan & Julie Samuelson
2019 United Way Campaign Co-Chairs

**"As a single mom with 2 kids, receiving a car through the Wheels for Work program is going to make a huge impact in my life and my kids life."
-Angelica**

Angelica was living at the **Maryland Living Center**, at risk of losing her part-time job due to lack of reliable transportation. After receiving a car from **United Way's Wheels for Work** program, she was able to continue her education, graduate and secure a full-time job with benefits making triple what she was. She is currently transitioning to independent living with guidance from **Community Action Partnership**.

UNITED WAY PROGRAMS

The Imagination Library program provides a book each month to a child from birth to age 5 at no cost to the family. For more information or to register a child visit: unitedwayscne.org/imagination-library

Wheels for Work Hastings Ford Lincoln accepts donated vehicles into the program and performs necessary safety repairs. The car is then donated to a family in need of a vehicle through United Way partner agencies. Giving a family a car makes child care, school, jobs, groceries and medical appointments easily accessible—things that are so easily taken for granted by those who have never been without a vehicle.

FREE PRESCRIPTION DISCOUNT The FamilyWize Prescription Drug Discount Card enables you to receive discounts on prescription drugs at participating pharmacies. This is not insurance. Rather, it is a program that offers discounts at participating pharmacies.

GET CONNECTED Get Connected is an easy-to-use, web-based platform that matches great volunteers with the right opportunities and organizations in our community. For more information, visit: getconnected.unitedwayscne.org.

It's critically important for ALL kids to start the school year with the right supplies. That's why each fall the United Way will engage local businesses and Individuals in a Stuff the Bus collection drive.

bornlearning™ Born Learning is an engagement campaign that helps parents explore ways to turn everyday moments into fun learning opportunities.

United Way works in partnership with the United States Marine Corp program to ensure children in Adams, Clay, Nuckolls and Webster Counties will receive a gift.
