United Way Programs

Bridging Forward is a targeted program working with qualified individuals and key stakeholders to reduce poverty in our community 30% by 2030.

Dolly Parton's Imagination Library, sponsored by United Way of South Central Nebraska, provides a free book each month to a child from birth to age 5.

United Way works in partnership with the United States Marine Corps to ensure all children in our area receive a gift.

C4K partners with public and private entities in communities to support and coordinate planning for high quality early care and education for children from birth to age 5.

The Community IMPACT Network brings together a cross-sector collaboration of organizations to improve the wellbeing of children & families through community prevention efforts.

2-1-1 is a free hotline that connects individuals with information on support services. It is completely confidential and free to use 24 hours a day, 365 days a year, anywhere in the country.

Hastings Ford Lincoln accepts donated vehicles and performs necessary safety repairs. The car is then donated to a family in need of a vehicle through United Way partner agencies.

Rooted in Relationships partners with communities to enhance social-emotional development in children ages 0-8 using evidence-based practices, aiming to improve relationships and prevent lifelong issues.

It's important for ALL kids to start the school year with essential supplies. Supplies are collected and distributed to area schools.
