CAMPAIGN FAQ'S

Q: HOW LONG SHOULD OUR VIRTUAL WORKPLACE CAMPAIGN RUN?

A: The average campaign runs for one or two weeks. Longer campaigns often take up additional time and resources for both the campaign coordinator and employees. One to two weeks is sufficient to kick off your campaign, get the message out effectively, and make your ask without overburdening staff. An exception could be if you are the campaign coordinator at a very large or multi-site company.

Q: HOW CAN WE COLLECT DONATIONS ONLINE?

A: United Way of South Central Nebraska provides our pledge form online for the convenience of your employees. Individuals can enter payroll deduction, credit card, and ACH gifts.

Q: ARE DONATIONS TO UNITED WAY TAX DEDUCTIBLE?

A: Yes. For additional information, please contact your tax preparer.

Q: WHEN SHOULD OUR GIVING CAMPAIGN RUN?

A: Most campaigns take place from September to December, but they can happen at a time that is best suited for your organization.

Q: WHEN DOES PAYROLL DEDUCTIONS START?

A: Payroll deduction usually runs from January 1–December 31. However, United Way does not set your payroll schedule so you are free to use whatever schedule works for you.

Q: HOW DO WE CONTACT YOU TO GET STARTED?

A: We would love to talk a plan that meets your needs!

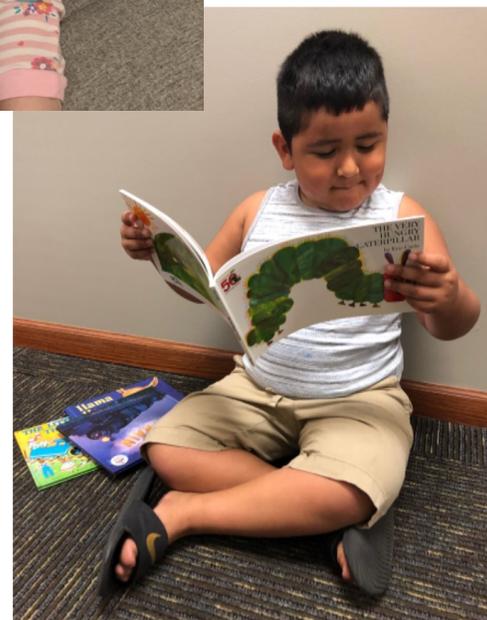

Our contact information is:

Phone number—402-461-8414

Email—jodi@unitedwayscne.org

Q: CAN EMPLOYEES DESIGNATE THEIR DONATION?

A: Absolutely! As a service to donors, we make it possible to specify a non-profit program to receive your donation. A list of United Way Funded Partners can be found on the back of the pledge form. However, the direct investment of your dollars designated to United Way of South Central Nebraska goes further to strengthen education, income and health—the building blocks of opportunity—Adams, Clay, Nuckolls and Webster Counties.

INCENTIVES & SPECIAL EVENT IDEAS

While your campaign goals should focus on traditional employee solicitation, it's also okay to have a little fun! Many companies incorporate extra events into their campaign to encourage participation and boost results. Take advantage of the following ideas as incentives for employees to turn in pledge cards, ways to increase gifts and participation, or tools to educate and inform.

Incentives:

- Vacation/PTO day
- Early dismissal on a Friday
- Sporting event tickets
- Concert tickets
- Gift certificates
- Movie passes
- Prime parking space
- Dinner for 2 at a popular restaurant
- CEO/President of the company delivers
- Coffee each morning for a week
- T-shirt Giveaways
- Jeans day

Additional examples of special events that can boost your campaign and increase participation:

Basket Raffle - Each department donates one or two themed baskets to be raffled off. Tickets can be sold within the company and the community. Have fun with the themes!

Baby or Pet Picture Match Game - Invite employees to try their luck matching baby and/or pet pictures to pictures of managers or other employees. Award the entry with the most right answers. Charge employees \$2 per ballot.

Backyard/Parking Lot Bar-B-Que - Determine costs of set-up. Set a sale price for the bar-b-que. Pre-sell tickets to the event and donate all proceeds to United Way. The event may also be set up as a potluck picnic with everyone bringing a dish to share. Make sure you have plenty of meat and fixings, buns, drinks, paper products and of course a grill! You may also want to set up a volleyball net, Frisbee and some music to set the mood!

Bakery Cart or Bake Sale - Wheel a cart of bagels, doughnuts, danishes and coffee and juice through the office in the morning, or a cart of brownies, cookies, cupcakes, pies and other sweet treats in the afternoon. People can contribute money to United Way in exchange for the goodies.

Boss Cooks for You - Have a special breakfast/lunch at which top managers cook for all donors. Food is one of the best motivational tools to attract a big crowd. Tasty treats almost always bring smiles to those attending your event.

Brown Bag/Agency Lunch - Invite several United Way Agency Partners for a "Lunch & Learn," allowing them to speak about their initiatives and how employee donation dollars really make a difference in the community. Ask employees to make a donation after, and raffle off a prize to all of those who participate.

Garage Sale - Find a volunteer willing to loan a garage space or use your work site after hours. Two or three weeks before the sale, have employees bring in sale items which volunteers price and sell the day of the event. Advertise within the company and nearby neighborhoods.

Guess How Many - Guess the number of jellybeans, M & M's, Hershey Kisses, or other treats in a jar. Buy chances to guess. Winner with the closest guess receives the jar of treats.

Silent Auction - Gather gift items and create bid sheets, being certain to provide a minimum bid for each item.

Wall of Fame - Put pictures on wall recognizing employees who have been contributing to the United Way Campaign for the most consecutive years.

UNITED WAY MYTH BUSTERS

I heard that...

...United Way spends way too much on salaries and other administrative costs.

Actually, approximately 89 cents of every dollar goes to United Way Funded Agencies and Programs, which is much more than the amount recommended by BBB Wise Giving Alliance of 65 cents, and even better than the amount of 75 cents required by the U.S. Government for organizations participating in their giving program, the Combined Federal Campaign. United Way of South Central Nebraska has an Executive Director and a Community Coordinator and still relies heavily on volunteers to help run the organization – allowing every opportunity we have to invest the most money possible in our local community.

...a colleague/friend/family member doesn't like United Way because his boss made employees donate to the campaign.

United Way has never – and will never – condone this sort of fundraising on our behalf. Once employees are asked to donate, we leave it at that. We never want employees to feel intimidated or threatened to participate in our campaign. Of course, gentle reminders to turn in their campaign paperwork (even if the amount is \$0) are ok. Always remember that donations are a personal matter and people must take many things into consideration before making the choice to donate.

...my sister called United Way for help with her utility bill, and they wouldn't help her.

United Way does not offer direct assistance to the residents in our community. Instead, we allocate our funds – your donations – to those organizations that are best equipped to meet the needs of our residents and ask them to distribute the funds. Even though you might be receiving the help of Catholic Social Services, SASA, Community Action Partnership of Mid-Nebraska, YWCA or Lutheran Family Services, know that United Way dollars make their work possible. United Way is also happy to help direct individuals to an agency that might be best suited to help with your needs.

...the money raised by United Way of South Central Nebraska is sent to United Way Worldwide, and they take their cut and then decide how to distribute the money locally.

Not true. Every United Way is an independent, autonomous organization, with its own Board of Directors and Allocations Committees. United Way Worldwide does not exercise any control over how we allocate our funds to the community. We do pay membership dues to United Way Worldwide (1% of the amount we raise each year) and those funds provide marketing materials, supplies, and training opportunities for the staff and board.

...you support X organization. There is no way I want my money to go to that place.

United Way of South Central Nebraska funds 19 organizations in Adams, Clay, Nuckolls and Webster Counties, and our local Allocations Committee feels they all do a great job meeting the tremendous needs in our community. However, we also know that not everybody feels the same way about each organization. Please don't let your feelings about one organization stop you from donating to United Way. Instead, feel free to designate your donation to the organization of your choosing. This way, you have total control over where your money goes.
