LIVE UNITED

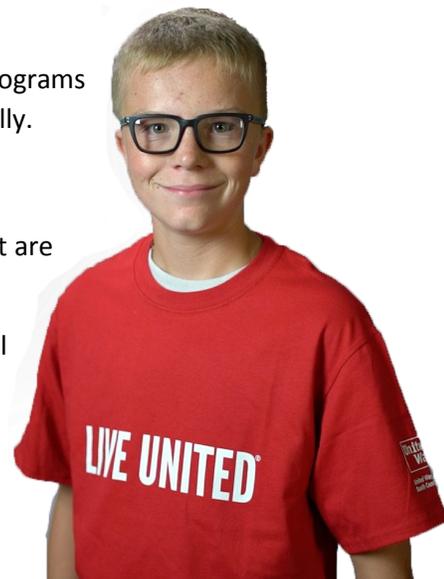

When you give to United Way, people are helped. You already know that.

The funds raised during the Annual United Way Campaign help support over 41 programs throughout Adams, Clay, Nuckolls and Webster counties helping over 25,000 people annually.

What you may not know is your gift goes much deeper and helps on so many levels.

United Way ensures that your donated dollars are being invested wisely into programs that are achieving results.

Instead of focusing on one cause or issue, we support many to help the South Central Nebraska community as a whole. We know that the solution to one crisis can drive the solution to another. So, we partner with 19 other great organizations to make the biggest impact independently and in partnership with each other.
